

# Perseids 2015

This year we're going to meet at **Spratton Crossing on the Brampton Valley Way at 20:30 BST.**

Where is Spratton Crossing? Some may already know, but for those that don't...

Grid Reference: SP 73681 70695

Latitude: 52.329545

Longitude: -0.920126

Sorry no SatNav postcode!

There's a sign on Brixworth road that points out the car park quite clearly. If you're coming from the Spratton direction it's quite soon after a sharp bend in the road.

Remember to bring something to sit on and clothes that'll keep you warm – yes, it can get cold at night even during a British summer!
